Here are some
questions to
help you come
up with
solutions

Why is this obstacle happening?

What outcome would I like to see?

What part of this is under my control?

What part is not under my control?

A green speech bubble with a tail pointing downwards and to the right, containing the text "More questions...".

More
questions...

What type of help do I need?

Who can help in this situation?

Why am I allowing this obstacle to keep me stuck?

What do I need to learn?

personal
questions to
ask yourself

What role did I play in creating the obstacle?

What role am I playing in overcoming obstacles?

Is there a lesson in this for me? What it is?

Are my feelings about this obstacle objective?
